

GOOD NEWS

On November 19th, we will once again have a bowling party. The locale is Rocklyn Bowl in Rockville Center, at 9 P.M. We've always had such a good time, that this is a happily anticipated event. The price is \$11 a couple for bowling and unlimited food. Join all the local sportsmen for the evening and enjoy, enjoy.

For tickets, call Florence Spivack at PY 1-9331.

SUBURBAN BBG

I'd like to welcome our new M.I.T.'s. I hope this year will be just as successful as the last.

On Sept. 19th, we held our first chapter meeting, at which we discussed our future plans. Among them are: the Appalachia Program, a clothes drive; adopt a grandparent, in which 3 or 4 people will visit the A. Holly Patterson Home once a month, and an international luncheon.

On October 11th, the first Homecoming Dance will be held at Congregation Beth Israel. The cost is \$1.00. I hope everyone will attend.

EMBERS BBG

At this time, I would like to welcome our new members. I am sure this year will be as successful as previous years have been.

Our first meeting was held on Oct. 2nd. Our annual luncheon will be held on Nov. 11th at the Valley Stream Park Inn. There will be a fashion show presented by the Doll House of Cedarhurst. At the luncheon, our new members will be inducted. We are all looking forward to a very enjoyable afternoon.

We are making arrangements for our annual cake sale. It will be held on Oct. 20th at Newberry's.

CHAPTER MEETING

OCTOBER 17, 1966

We are very fortunate to have as our guest speaker this month, the very Honorable William Cahn, District Attorney of Nassau County. He will speak to us about the pressing problem of narcotic addiction right here in our "home town".

This meeting will be held at Temple Hillel, 1000 Rosedale Road, on Oct. 17th, at 12:30 P.M. Your friends and neighbors are invited and welcome. Coffee and cake will be served and a babysitter will be available.

Remember the date, October 17th, and don't miss out on this most important and interesting discussion.

CHAPTER DONOR

Each year many of our members make Donor and attend B'nai B'rith's glamorous Donor Luncheons and many of us also enjoy the Bonus Luncheon-Theatre Party.

Some of us, each year have a "ball" supporting Chapter functions, going on trips, bowling, etc., and find to our surprise at the end of the year, that we are very close to raising \$40.00 in Donor credit.

If we would just plan ahead a little more at the beginning of the year and perhaps give more of ourselves to B'nai B'rith, during the year, then many more of us could participate in this Donor Event.

Call me and I will be happy to help you with suggestions as to how, you too, can raise your Donor for next year.

Rita Ottinger, Donor Chairman

LODGE PRESIDENT'S MESSAGE

Now that the high holidays are over, SUBURBAN LODGE is in high gear with full steam ahead. A full program of education and entertainment is in store for you.

Our MEMBERSHIP CHAIRMAN, BARNEY COHEN is planning a membership breakfast to which we will all be invited. GEORGE GETNICK, as ADULT EDUCATION CHAIRMAN is planning a MR. & MRS. GET TOGETHER, sometime in December. PAUL KAYE as chairman of CONTRIBUTION CERTIFICATES has a list of inducements that will make each and every one of us eager to sell booklets.

HAROLD GOLDSTEIN and JERRY ROOD are doing a wonderful job together with their hard working committee to insure the success of our SPECIAL FUND RAISING PROJECT.

DR. IVAN GOLDFARB is planning our PROGRAM so that all of the facets of B'NAI B'RITH work can sparkle and shine.

Last but not least, DAVE SPIVACK and HAROLD ROSEN are heading our BOWLING LEAGUE, which is still our number one activity as far as membership participation is concerned.

We are very much in need of more members who are willing to roll up their sleeves, pitch in, and bring to life the many other aspects of B'NAI B'RITH.

All of our members have special abilities or skills. If you want to give of your time and effort so that SUBURBAN LODGE can forge ahead, please feel free to call me. We need men to chair or co-chair many important programs. We need men to attend the many SEMINARS that the METROPOLITAN COUNCIL sponsors so that they can bring back reports to our membership. WE NEED MEN!

President

CHAPTER PRESIDENTS' MESSAGE

At this time of the year, just one word is uppermost in our minds; BAZAAR. It is a particularly heavy burden this time since no one has offered to undertake the title of Chairman. You can see that it will take the cooperative effort of all 300 members to make it a success.

Towards this end, you will find in your next mailing a copy of the Bazaar letter asking for contributions. If you each make good use of this letter, our task would be considerably lighter. Our usual net figure of close to \$2,000 needs a great deal of merchandise for sale, and only through you can it be forthcoming. Additional copies are available and we certainly hope to make use of them.

The date, December 3rd, is very close now, and ACTION NOW is the key word.

Any volunteers for marking, trips to the city, setting up, etc., will also be gratefully accepted.

Remember, we need your help.

Sincerely,
Renee Dinoff

Important to involve yourself to work on Bazaar. It's fun!
Together we can make the Bazaar a huge success, but we need—
HELP ! HELP ! HELP !

Bring in canned goods to meetings or bowling alley, and receive a free raffle ticket for \$5.00 donor credit.

Anxious for packages, large or small.
Zealous and vigorous workers needed, say you will help.
Always willing to type letters—if you need stationery, call PY 1-8613.

Our officers, President Kitty Shapiro, Vice President Ceile Forstadt, Secretary Pearl Brown, and Treasurer Gerry Sussman would like to say—to one and all—GOOD LUCK, AND GOOD BOWLING.

by Selma Kassak - PY 1-5224

The color of Fall is here, the autumn leaves...and off we roll into a new year, the year of 5727 and lots of resolutions could and should be made without waiting for the official beginning of a new year. Part and parcel of a new year are the planning of vocations and vacations, engagements, marriages, births and the will to start something that we hope we'll finish. And in other ways just being a good neighbor and giving of ourselves, just a little. Here we go philosophizing again, so back to the lighter side.

You think the Greeks had a word for it! MARCIA and NORMAN GOLDMAN had quite a few to tell us after their two week holiday in GREECE. A fall week-end can be so-O-O- beautiful and colorful at MON-
TAUK POINT. LARRY and BARBARA BURKER and their two lovely daughters spent some time there and loved it. MAX and BEA BRATT welcomed our new year in at the famed Concord.

Anniversary greetings to FLORENCE and DAVE SPIVACK on their 25th anniversary. ROSE RADITCH is beaming these days, the reason—she welcomed a beautiful great granddaughter making her of course a Great
..... LILLIAN and TOM STECKLOW are celebrating the marriage of their son. And soon to follow in their footsteps is ARTIE and FLO ZUCKERMAN whose son, Joseph, recently announced his engagement.

We're still getting late news of our summer travelers. The MURRAY SCHOFFELS and daughter took a week's sojourn in Bermuda. THELMA ROSENSTEIN and husband got to sunny CALIFORNIA; likewise IRENE HARRIS and her husband. RONNIE BLANCK spent a long week-end in CALIFORNIA attending a nephew's Bar-Mitzvah. SID and DORRIE ORNSTIL had ambitious plans; took all the kiddies by motor to the state of WASHINGTON and flew on to ALASKA. That's the first we heard of that destination. BOB and AUDREY PERLMUTTER took off for CANADA, a favorite tourist attraction for our Suburbanites this summer. The STEPLERS visited the picturesque Amish country.

As fast as his motorcycle can go that's how fast we wish MITCHELL PICKMAN a speedy recovery. Next time we'll follow you in our Honda! We're happy to hear that ANITA and SID CORON's daughter, Merry, is home from the hospital after a bout with pneumonia. ERNA UNGAR's been having a little back trouble these days and that's why we haven't seen her lately. It's good news also, to hear that ELEANOR PRESS' son is home from the hospital after an asthma attack.

What's sports these days with two budding athletes out of commission? IRWIN KORNGUT's arm was broken after a collision on the football field and JON KASSAK's forehead required stitches after a collision on the basketball court.

Greetings to some new members, HELEN KOSS, RHODA BECKMANN, and IRENE TRAUB.

Any edition will bring a new addition to SAM and MIRIAM JUPITER's daughter, Barbara.

WILMA BARON's dog made the papers recently and not the way you're thinking. Finished in a dog show with high honors.

Our sincerest condolences to SYLVIA BELSKY and LEAH LEWIS on the loss of their mothers. Also to DORIS RUSSO on the loss of her mother-in-law.

We enjoy reading about you, so please keep us informed.
