Parent-Teacher Association  
Central High School  
Valley Stream, N. Y.

To the members of Women's Democratic Club of Valley Stream

Once again an evening full of fun is being planned for you by the Parent-Teacher Association of Central High School.

Since our "Valley Stream Get-together Party" of last November proved to be so popular with all who attended, and since numerous requests have come to us for a repetition, we have decided to make this an annual event.

Many of the Long Island towns have community dances and we feel that Valley Stream should have one also. Our organization being non-sectarian and non-political is probably the best suited to run an affair of this type.

The Dance is to be held on November 11, 1944, Saturday evening, in the Central High School Gymnasium. The tickets 50¢ plus tax.

There will be Ballroom Dancing, Square dancing, a Waltz contest, Games and Prizes. Come out and join the fun!

Tickets are enclosed for distribution among your members, so as to assure a representation of your organization. These tickets may be paid for at the door. Additional tickets may be purchased at the affair.

Thanking you for whatever co-operation you will give us, I am,

Sincerely,

*RVC*  
Lillian Lettine  
Chairman
