

Camp Barrett Field Trips

Sign Ups Begin March 9th at 9am on Camp Dashboard

Field Trips are a great opportunity for children to explore a variety of exciting places in addition to the daily schedule at Camp Barrett. Field Trips are not required and if campers do not attend, they stay at camp for their normal schedule. Campers attend the trip on a school bus with the counselors. No parent chaperones are taken on camp trips.

To add trips to a child's application, log into the Camp Dashboard on **March 9th at 9am** and go into the camper's application. Trips will be added one child at a time. Once in the application, go through the pages of the application until you get to the program selection page. Select which trips you want and continue to the end of the application again. Repeat for additional children.

Field Trips have limited availability and due to the high demand often sell out quickly; therefore, it is a first come, first serve policy. Trips must be paid in full to hold your child's spot within 72 hours of adding it to the camper's application. Trips are non-refundable and non-transferable.

If you do not see a trip on your child's application, your child is not the correct age division or there are no more seats available. Waitlists do not guarantee a spot on the trip and no money will be taken for waitlist seats until a change to status is possible.
