Dear Business Owner:

Valley Stream's businesses have taken a huge hit with the Covid-19 mandated shut-downs. You, as a business and /or commercial property owner know this better than anyone.

You may remember that I am a former small businessperson myself. I owned and operated the Wheeler Deli for more than 20 years. I understand what it is to meet expenses every month, while working to support a family and turn a profit. It's not easy and this situation has devastated businesses beyond what anyone could have ever imagined.

***I am closely monitoring updated funding offered by the federal government through the Small Business Association. With the latest stimulus package voted upon, I urge eligible businesses to jump on this opportunity quickly. We at the Village of Valley Stream remain ready to assist with navigating these programs where possible.***

Please let us know how we can further support you and your business by emailing our Economic Development team at [tmcAleer@vsvny.org](mailto:tmcAleer@vsvny.org). You may also call our partners at the Valley Stream Chamber of Commerce at 516-825-1741 and leave a message. Someone will get back to you as quickly as possible. Remember, we are here for you now and throughout this difficult time.

Sincerely,

*John L. Tufarelli*
