Re: Mill Road, Valley Stream

Dear Inspector Bartscherer:

As we are all grappling with the sad news of another fatal traffic accident on a Nassau County road in Valley Stream, I would like to once again request your assistance in managing speed and traffic conditions along these busy thoroughfares.

The latest fatality took place on Mill Road, just a few short blocks south of the R.W. Carbonaro Elementary School. With school due to open soon, I know I share the concerns of parents and educators for the safety of our children, as well as pedestrians and motorists alike. For this reason, I ask that you provide **stepped-up speed enforcement**, particularly in and around all of our school zones. In addition, I am requesting a **traffic study** of the area on Mill Road that saw this latest devastating accident, with the intention of preventing another terrible, senseless tragedy.

Thank you for your anticipated courtesy and cooperation with regard to this request.

Sincerely

EDWIN A. FARE, MAYOR
