Re: New York American Water

Dear Chairman Rhodes:

On behalf of the residents of the Incorporated Village of Valley Stream, New York American Water customers all, I would like to add my voice to the chorus of elected representatives and private citizens alike who seek redress from the egregious rate increase that went into effect this summer.

Along with our state representatives, I will continue to advocate for our constituents who have been impacted by the water company's actions, and I join Assemblyman Brian Curran in urging you to restrict further conservation rate charges and postpone any other increases for the foreseeable future.

Valley Streamers pride themselves on being good neighbors, and we expect our government regulators and utilities to do the same. I thank you in advance for your anticipated appropriate action with regard to this pressing matter.

Sincerely,

EDWIN A. FARE, MAYOR
Incorporated village of Valley Stream
